Cadet Peer Educators

Membership Application

Dear Cadet,

Thank you for expressing an interest in becoming a CPE member. CPEs are health leaders who serve as resources to their peers, liaisons to their campus and communities, and ambassadors for the Center for Cadet Counseling. This leadership development training offers a unique and exciting opportunity to gather extensive information on the issues that impact the overall wellness of the Corps and the individuals that comprise it. CPE Training is scheduled to take place during Cadre Training Week in the Fall of 2013. Attendance is required at each session in order to become a nationally certified CPE and to participate in the CPE group at VMI. If training during Cadre Training Week doesn't work with your schedule, but you are interested in CPE, you will have the opportunity for additional training experiences throughout the 2013-2014 Academic Year. We invite you to apply now so that we may speak with you about how training can fit into your schedule. You can email completed applications to CPT Cera Wadsworth at wadsworthsh10@vmi.edu. All responses will be kept confidential and reviewed only by the CPE Selection Committee. In addition, you must have a VMI faculty, admin, or staffs submit a letter of recommendation on your behalf. This letter should explain why you would make a good candidate for the CPE Program, citing specific examples that highlight your leadership potential and especially your ability to serve as a role model for your peers. Letters of support should be submitted electronically to CPT Wadsworth at wadsworthsh10@vmi.edu before the ***application deadline on 8 April 2013****. We request that you submit the name and contact information for a professional reference (i.e., proctor, tutor, dean, commandant staff, professor, advisor, etc.). You will then be contacted for an interview as a final component of your candidacy. I look forward to reviewing your application.*

Respectfully,

CPT Wadsworth
